Teachers

The changes in our teaching force have been few. Miss Ida Cushing, a very efficient teacher in the sixth grade at the Union school, resigned in June. Miss Helen Gordon of Bristol, a graduate of Plymouth was secured for this position. Miss Marian Letson, assistant in grades seven and eight at the Union school, also resigned in June. Miss Elizabeth Moloney, a graduate of the four-year course at Framingham Normal school, was selected to fill this vacancy. Miss Letson is now teaching in the Penacook High school. A third resignation was that of Mr. C. E. Morton, teacher of manual training. Mr. Morton was succeeded by Mr. Milton C. Blanchard, a graduate of Wentworth Institute.

There was no change in teachers in the outlying schools.

Highlands or Tin Corner

After proper consideration the school board decided to close the Tin Corner school and assign the children to the Union school, and to transport those who were not within reasonable walking distance. This assignment went into effect at the opening of the school year in September and

apparently has worked out very satisfactorily.

School Nurse

Mrs. Lurline H. McCook, who serves both as district nurse and school nurse presents the following detailed report of her work as school nurse. There should be no need to remind you of the importance of this work.

Free milk furnished to under-weight pupils by courtsey of the local chapter of the American Red Cross has been a step in the right direction, having resulted in an increase of weight in the majority of cases.

It is desirable that some method be devised whereby the pupils of the Union school, who bring their lunches to school, be provided with supplementary hot food. Several

of the teachers in the rural schools are already doing this for their pupils.

The school nurse is grateful for the hearty and kindly co-operation of the Superintendent of Schools, teachers, school physicians, pupils, parents and various welfare organizations who have helped to make this work possible.

Respectfully submitted,

LURLINE H. McCOOK,

Registered Nurse.

SUMMER

Playground

The special appropriation of $600 made possible the maintenance of a supervised playground for the children on the enlarged Union school grounds during July and August. Mr. Maurice Drummey was the chairman of the special committee which had this matter in charge. Mr. Eldon Heartz of Concord was the supervisor. Mr. Heartz was well qualified for the position. The committee used a part of the appropriation for installing a cement wading pool which was greatly enjoyed by the youngsters. I would recommend an appropriation at this coming school meeting that the playground may be continued next summer.

New Heating System

A complete new heating system was installed at the Union school during the summer. Mr. Joseph Greenwood was the contractor. The system now in use is the Hoffman Vacuum Controlled heat. The system seems to be working perfectly and the results so far have been all that were anticipated. The special appropriation for this purpose was $4,500.00. The actual net cost was approximately $4,900.00.

Annual School Meeting

The annual school meeting will be held at 7:30, Friday evening, March 21, at the Union School hall. The terms of Dr. T. H. Huckins, Mrs. Ethel W. Gile and Mr. Llewellyn D. Favor, as members of the school board, will expire at that time. Two members will be chosen to hold office for three years. After this year the school board will

consist of but five members.

I wish to thank all who have helped to make the work of the last school year a success. I am especially grateful to the school board for their forbearance and co-operation and to the teachers for their loyalty.

Respectfully submitted,

CHANNING T. SANBORN,
